New Jersey Soccer Group Launches Fundraising Program

The New Jersey Soccer Group has launched its new cutting-edge, go-green fundraising program: a cashback shopping portal that is linked to over 900 retail stores. Every time a family shops at their favorite stores through the New Jersey Soccer Group's new web portal, cash ranging from 1-40% will go to the cause.

Stores like The Home Depot, Sports Authority, Macy's, Sears, Stub Hub, Expedia and Target among many others will all pay the New Jersey Soccer Group cash for every purchase made. Shoppers get all the same prices, discounts and promotions and New Jersey Soccer Group gets the cashback. You will also find its environmentally savvy counterpart on this web portal that boasts links to approximately 100 natural and environmentally-friendly, green companies.

Rob Napier, New Jersey Soccer Group's Director of Program Development, says, "This is a real win-win for our members as they can save money on a huge variety of goods and services and help support the Colonials and Magic in their quest for success this season."

Please visit the NJSG portal, www.shoptoearn.net/NJSG, and support the Morris County Colonials and Millburn Magic programs which enable highly talented local players to play in a national, high-level league through the summer.
